Drinking Window: 2022 - 2030

Good depth on both nose and palate, this has nice concentration and interest. Fresh, saline, really full of life and energy, with good length. Loads of intense vibrant flavour, but no excess body or alcohol. Really expressive and joyful. Also contains 20% Bourboulenc. Half is vinified in barrel, the other half in stainless steel. 8,000 bottles made.
